TWELVE HEALED 2 DEAD SO FAR

Paris, Washington DC, 01.03.2020, 19:19 Time

USPA NEWS - In France, the 100 th case of people infected with CODI-19 has been crossed. This announcement created a panic, and led to the cancellation of many events gathering more than 5000 people in France (on order of Minister of health. The Minister Olivier Veran also advised "Not to rush to wear a mask to unless the doctor prescribes milk "Indeed, a shortage of stock has been reported at the level of the availability of masks in pharmacies. While an extraordinary council of ministers and a defense council had yesterday to work out solutions and take measures to "confide" and strategy of "not spreading the virus in the rest of the country. The region most affected is that of Oise or elsewhere in the world, the epidemic continues to progress. The number of cases has jumped in Germany to reach 117 people. After a few days of decline, the number of new infections, a rebound in virus intake has started to rise again in China and the first death linked to the coronavirus has been recorded. stré in the United States and Australia. The first cases of contamination have been observed in Ireland, Luxembourg and Armenia, in addition to Iran, Italy, Japan and South Korea, which are the most affected

In France, the 130th case of people infected with CODI-19 has been crossed, spread in twelve (12) . This announcement created a panic, and led to the cancellation of many events gathering more than 5000 people in France (on order of Minister of health. The Minister Olivier Veran also advised "Not to rush to wear a mask to unless the doctor prescribes milk "Indeed, a shortage of stock has been reported at the level of the availability of masks in pharmacies. While an extraordinary council of ministers and a defense council had yesterday to work out solutions and take measures to "confide" and strategy of "not spreading the virus in the rest of the country. The region most affected is that of Oise or elsewhere in the world, the epidemic continues to progress. The number of cases has jumped in Germany to reach 117 people. After a few days of decline, the number of new infections, a rebound in virus intake has started to rise again in China and the first death linked to the coronavirus has been recorded. stré in the United States and Australia. The first cases of contamination have been observed in Ireland, Luxembourg and Armenia, in addition to Iran, Italy, Japan and South Korea, which are the most affected. WHO declared alert 2 (before alert 3 maximum) of the now pandemic Coronavirus. Hundred and thirty (130) confirmed cases in France, twelve (12) affected regions.

THE COVID-19 EPRIMEDIC CONTINUES TO SPREAD AROUND THE WORLD AND CREATES A PANIC-----

The coronavirus epidemic continues to spread around the world. New increase in the number of contaminations in China and first deaths in the United States and Australia ... The epidemic is now approaching 3,000 dead for more than 86,000 infections in sixty countries. In France, 130 cases are now confirmed, in twelve regions in total. Follow the latest information. According to the Director General of Health, Prof. Jérôme Salomon, "63 countries are affected by the epidemic of the new coronavirus. There are 7,500 cases outside China compared to 2,000 a week ago, says the number 2 of the ministry of health Source: AFP, French Health Ministry .

In the Alsace region Two children aged 1 and 5 and their 27-year-old mother have been infected with the coronavirus and are hospitalized together in Strasbourg, announced this Sunday the Regional Health Agency (ARS) du Grand Est and the regional prefecture in a joint press release. A total of four new cases of Covid-19 contamination in Alsace. The fourth case is a 32-year-old woman, companion of a 36-year-old man hospitalized since the beginning of the week in Strasbourg after having stayed in Lombardy.

CLOSED MUSEUMS AND CANCELED CONCERTS AGRICULTURE FAIR CLOSED EARLIER THAN PROVIDED

The management of the Louvre announces that the Paris museum - the most visited in the world - will remain closed this Sunday due to a right of withdrawal voted by the staff, worried about the spread of the coronavirus epidemic. She also added that an exceptional CHSCT (Health, Safety and Working Conditions Committee) will be held on Monday, without specifying whether the museum will reopen or not. "Subject to possible future developments in government measures relating to places open to the public, no concert will be canceled in the next 15 days", announces the Zénith de Paris on its website, while other rooms in France decided to postpone them and that the authorities decided to cancel the events gathering more than 5000 people in "confined" spaces.

The Zénith de Paris can in principle accommodate more than 6000 people. "We will do our best to keep you informed as soon as we have more information," said the concert hall, however. The concert of Maître Gims scheduled for Nantes on Saturday March 7 is canceled due to restrictions imposed by the authorities, announces the director of the Zénith de Nantes on the Facebook page of this room. The Zénith de Paris, which plans several events next week, said it would specify possible cancellations in this room on Monday. The AccorHotels Arena (Paris Bercy) has closed the competition "Juste Debout", scheduled for this Sunday. The National Union of

Musical and Variety Entertainment called Saturday a "crisis meeting" with the government to discuss the consequences of these cancellations which could be numerous. LCI Source
